Notes

1. Offering prices subject to change without notice. Plans available for construction do not include lot prices.
2. Offering prices for plans available for construction include allowances for insurance, land clearing, landscape, irrigation, driveway, and sidewalks. These prices assume a level lot and 3 block foundation. Offering prices do not include variable costs of permitting, ARC review (if required by sub-division), and water and sewer taps.
3. Lot offering assumes Randy Wise Homes, Inc. will build the home.
