A beautiful new 'Treetops Series' home is ready to be built in Swift Creek Plantation. Call soon and contribute to the design details. This home has over 5000 sq ft of heated and cooled space; 2515 complete and impeccably finished. It all starts with a stunning brick and hardy exterior, a large three car garage, circular driveway and an oversized lot with woods behind and to one side. As you enter, you will experience the quality this builder is known for; 10' ceilings in the main floor common areas with 8' doors, 5" crown molding and encased windows and entries throughout the home. Design details include hand scraped wood flooring, 20" porcelain laid diagonally, custom built Woodharbor Shaker cabinets w granite tops, Frigidaire Professional appliances, and much more.

In the downstairs walkout, you'll have an added 2700+ sq ft of heated and cooled space. The area is pre-plumbed for two added bathrooms and a full wet bar but otherwise unfinished. You say the word and we can finish it for you at an additional cost. Wow, that's over 5200 sq ft of living space!

This builder has the prestigious designation as a Southern Living Custom Builder Member. Don't miss out on one of the final opportunities to build in Swift Creek Plantation
