The open living area of the Anna plan offers ample space for family movie nights, hosting celebrations, and cooking memorable dinners. A charming office planned for work can also be used as a play space or a reading room. And, take full advantage of the extra storage space the Anna's mudroom, laundry room, and pantry have to offer. With access from the two-car garage, these rooms offer a place to store those shoes, umbrellas, backpacks, and more in an organized and convenient location. At day's end, the covered rear porch is the perfect place to enjoy a meal and watch the sunset. Large enough for comfort, but intimate enough to enhance any gathering, the Anna is waiting to welcome you home.
